

Specification CR 7743

Ceramic heater  
Ceramic heating element  
Two heating powers: 1000W/2400W  
Durable metal housing  
Temperature thermostatically controlled  
Fan setting  
Overheat protection  
90° vertical blowing angle adjustment  
Noise level: ≤55dB  
Power: 2400W  
Supply voltage: 220-240V ~50-60Hz  
Power cord length: 1,73m  
Color of housing: red  
Raw material of housing: metal  
Product dimensions: 22 x 16,5 x 25,7cm
