

Specification AD 4417

Intense taste of aromatic, strong and thick Italian espresso
Max capacity: 620ml
Working capacity: 500ml, ideal for brewing up to 10 cups of aromatic espresso at a time (approximately 50ml each)
For use on electric, gas, ceramic, halogen and induction cookers
You can prepare the intense flavor of espresso by using coffee that is not too fine, preferably with a medium grinding degree and medium or dark roasting of the beans
Dishwasher safe
Cool touch handle
Compact size compared to electric coffee machines, ideal for use at home, office, camping, trekking or traveling
Classic, stylish look
Raw material: high-quality stainless steel intended for contact with food
The device is equipped with a safety valve that prevents the accumulation of excessive pressure inside the device
Color: silver steel
Product dimensions: 16x12x23.3cm
