Specification AD 4421

Intense taste of strong and thick Italian espresso
Max capacity: 320ml
Working capacity: 300ml, ideal for brewing up to 6 cups of aromatic espresso at a time (about 50ml each)
For use on electric, gas, ceramic and halogen stoves
You can prepare an intense espresso flavor by using coffee that is not very fine, preferably with a medium grinding degree and medium or dark roasting of the beans
Cool touch handle
Compact size compared to electric coffee machines, ideal for use at home, office, camping, trekking or traveling
Classic look
Raw material: light and durable aluminum alloy suitable for contact with food and a handle made of heat-resistant plastic
The device is equipped with a safety valve that prevents the accumulation of excessive pressure inside the device
